**DVI to HDMI AOC, Hybrid 10.2Gbps 4K30 DVI to HDMI Active Optical Cable.**

The DVI to HDMI Active Optical Cable creates a pure bi-directional digital connection between a DVI-enabled source and an HDMI-enabled display or an HDMI-enabled source and DVI-enabled display.

This DVI to HDMI AOC is perfect for connecting a computer or DVI-equipped device to a 4K HDMI TV or display or the other way around. Watch videos from your laptop on your big screen or connect an HDMI-equipped source such as a Blu-ray player or gaming console to a DVI TV or display.

The HDMI to DVI Active Optical Cable makes it easy to enjoy serious gaming, home-theater entertainment, and more. By connecting HDMI to DVI with the HDMI to DV AOC, you will see an impressively enhanced video experience on your compatible device.
